Principal’s Patter:

Western Australian Monitoring Standards in Education (WAMSE)
Early next term (week 3) all of our Year 5, 7 and 9 students will be involved in the WAMSE testing program. These assessments test student understanding and knowledge in both the Science and Society & Environment learning areas. Information has been distributed to students about this year’s testing program. If you have any queries or would like further information about this program please contact the school or visit; http://www.scsa.wa.edu.au/Years_K10/WAMSE

Student Reports
These documents will be sent home next Monday 1 July. They will be enclosed in an addressed envelope. I encourage parents/carers to read the report together with your child. Please contact your child’s teacher next Tues, Wed or Thurs or early in term 3 to follow-up on any queries. The close link maintained between home and school will progress each child’s education.

Sport
In a very active second term we have our final event underway today. Our teams are travelling to Pingelly to participate in Football, Netball and Hockey for the Winter Carnival.

Kindy Enrolments
To enable planning and organisation issues to be attended to, parents are requested to complete enrolment procedures for their Child for next year – 2014. These enrolments close tomorrow, 28 June. Please pass this message on to parents who are not yet members of our school community.

Office Display
Thank you to Mrs Shaw and the Year 6s for adding to our front office environment with their very creative projects, story outlines and art pieces. There is a wealth of talent on show, please take time to enjoy it when next at school.

Values
The new value for this week is Integrity. Children who learn the importance of morality and steadfast application of values in their daily dealings take a far more valued place in society.

I join with the staff in wishing everyone a pleasant mid-year break. Students commence term three on Tuesday 23rd July.

Thought for the Week

Pyjama Day - congratulations team! We raised $202 for PMH.

Drama Club - we have had an amazing response to this initiative with over 40 students attending the first session. The ultimate goal of the group is to put on a performance in the town hall. Students will be involved at all levels including sound, costumes, set design and acting. The majority of students have nominated to be on the committee and voting will occur this week. It is so pleasing to see such enthusiasm!

Next term the Student Council will be running two Fun Fridays - stayed tuned for details…

For the diary—Footy Colours Day, September 6th. Come dressed in your favourite football colours to help support the Cancer Foundation.

And remember…
Be the good in someone’s day.

Scholastic Book Club

Dear Parents,

Due to technical difficulties with the Scholastic website, our orders for Issue #4 may be delayed. This would not normally be a problem, however, with the end of term fast approaching, some items may not arrive before school holidays commence. It is beyond my control, however, I will endeavour to deliver the orders prior to the holidays, should they arrive. My sincere apologies if you don’t receive your order until the start of Term 3.

When sending in your Book Club orders, please ensure that the order form is filled out correctly with your child’s name and form class clearly written at the top of the page. If paying by cash, please send correct money, as change cannot always be given. Cheques should be made payable to Scholastic Australia and if you are paying by visa, using the Scholastic website or by phone to Scholastic, please fill in the visa payment receipt section of the order form and send with your order.

Thank you
Jo Sims
Library Officer
On 22nd May at 11am, our Pre Primary to Year 2 students gathered in the Library for a very special story time. Every year at the same time on the same day, thousands of children across Australian participate in National Simultaneous Story Time by reading the same book. This year’s book was The Wrong Book by Nick Bland.

Our guest reader for 2013 was Mrs Sandy Shaw who did a wonderful job of not only reading the book, but entertained and enthralled our junior students for over an hour! Sandy read to the children and then chose volunteers to discuss and act out the story. Some lucky students even got to dress up as characters from the book! The students were kept entranced by Sandy’s expressive and enthusiastic presentation of the book.

The students had a wonderful morning, and our very special thanks to Mrs Sandy Shaw for giving up her time to be such a fabulous guest reader.

Australia’s Biggest Morning Tea

A big thank you to everyone that came to ABMT and helped make it a very successful morning. The atmosphere was fantastic, we raised $1020. Congratulations to all. Also thank you to Mrs Shaw and the choir for performing.
If school expenses are weighing you down, the Schoolkids Bonus can help lighten the load. It replaces the old Education Tax Refund and it is simple: there’s no need to collect receipts and you don’t claim it through your tax. If you’re eligible it will be paid straight into your bank account twice each year so you have the money when you need it most. Each year you will receive up to:

- **$410 a year for each primary student** ($205 paid in January and $205 paid in July)
- **$820 a year for each secondary student** ($410 paid in January and $410 paid in July).

**Important news!**

The second instalment of the Schoolkids Bonus for 2013 will be paid by Centrelink from 4 to 17 July. If you haven't received your payment by 18 July, but think you're eligible, please contact Centrelink to discuss your personal circumstances.

If you receive Family Tax Benefit as a lump sum the Schoolkids Bonus will be paid after your Family Tax Benefit claim is assessed.
