Principal's Patter:

Staffing
Increasing enrolments in the Year 7 – 10 class, particularly at the top end with more Year 10s, has necessitated an immediate change to this room. As of today, the Year 7s have moved to a separate room to be taught by Mrs Aynsley and Mrs Barrett-Lennard. Some timetable changes have been effected to primary classrooms to facilitate this change; however these have been kept to a minimum. Mrs Thomas will resume full time in the Year 5 class and Mrs Barrett-Lennard will continue the Music classes and in her role in the Year 1/2 class on Thursdays. Our Targeted Literacy program is unaffected.

Cross Country
Tomorrow, 31 May. Please come along and support the children. Rug up it will be cool. Also partake of morning tea in the art/music room and support this national fundraiser.

Office Display
Mrs Gollan and the Year 1/2s have added to our front office environment with their very creative art/craft pieces depicting their S&E work. Thank you to Miss Meade and the Year 4 class for their very popular ‘underwater’ display.

Walk Safely to School Day
Congratulations to the many, many children, their parents and our bus drivers for supporting this venture last week. Thank you also to Beverley IGA for the boxes of apples.

Values
The new value for this week is **Understanding**. If the children ‘understand’ the importance of their actions and the effect these actions will have they will contribute to a more harmonious society.

School Grounds
Jethro, our gardener, in continuing his endeavours to improve our oval has had soil tests conducted by CSBP. This has revealed deficiencies in nitrogen and phosphorus. We deal with the nitrogen through an annual program, but would be very pleased if, at the end of seeding, there was a small quantity of super that could be donated to school to continue the oval development.

Western Australia Day
Next Monday is a public holiday. School recommences at 8.40am on Tuesday 4 June.

Thought for the Week
All the world is a laboratory to the inquiring mind.

Norm Ireland
Principal
It is hard to believe that we are almost at the half-way point of the term! With so much happening around our wonderful school, time continues to fly past. I extend my sincere thanks to our great staff for their support, understanding and flexibility with a recent re-structure in the senior year levels that has had a small, yet noteworthy impact on teacher’s timetables.

Sporting News

⇒ Cross Country
The Faction Cross Country commences tomorrow morning at 9.30am and will run over the course of the day. A reminder of race times can be noted on the table below. We welcome all family and friends to come along and cheer our students as they challenge themselves on their respective tracks. My thanks to all parents who have offered their assistance to coordinate this event. Australia’s Biggest Morning Tea will be in full-swing from 10.30am.

Uniforms
I seek the assistance of our parent community in ensuring your child/ren come to school dressed in appropriate clothing. The recent bout of cooler weather has seen the inevitable array of multi-coloured hoodies / jackets and the like. Beverley DHS has and promotes the School Dress Code Policy that provides clear guidelines for students attending the school stipulating that students must be “neat and appropriately dressed”. If students do not have a school jumper or jacket we would request that the alternative be a red or black plain jumper. Please contact the school if you wish to purchase any items from the Uniform Shop.

Enjoy the long weekend!

Student Council News

Thank you to IGA for the apples and our bus drivers for stopping at the tennis club for walk to school day. Very successful and great to see so many participants.

Drama club – a huge response so far. Thanks to our Student Councillor, Hannah Bowden, for starting this initiative. Stayed tuned for activities and performances.

Have you seen our birthday board? Each week the Student Council puts the names of the students having birthdays so we can share in their celebration.

Head Lice Facts

Head lice are tiny insect parasites that live on the human head, feeding on the scalp several times a day. Head lice reproduce by laying their eggs (nits) on the hair shaft close to the scalp.
Transmission: Head to head contact with an infested person.
Incubation Period: 7 to 10 days
Infectious period: Until lice and eggs (nits) are killed.
Exclusion from school: Exclude until the day after treatment has commenced.

For more information about head lice and treatment options you can contact your Community Health Nurse
