Principal’s Patter:

Coles Junior Landcare
Congratulations to our Grants Committee – Marie Carroll and Marie Walker for their recent success in gaining a Coles Junior Landcare Grant. The $1 000 will be put towards establishing gardens in the planter boxes outside the library.

Thank you
Our efforts to present a clean and functional school environment have recently been greatly assisted by Andrew Shaw and Dan Wilkinson. With machinery, these gentlemen have recently spent considerable time cleaning up around and behind the red shed. The school community is thankful for these efforts.

Student Reports
These documents will be sent home on Friday 6 July. They will be enclosed in an addressed envelope. Please contact your child’s teacher early in term 3 to follow-up on any queries.

Sporting Events
Congratulations to our team who competed with distinction in Brookton. With considerable endeavour we finished a very creditable second in both the primary and secondary shields.

All the very best for our teams competing in the Winter Carnival in York today.

Parent Library Roster
Thank you for the response to my earlier request which has enabled us to have the library open for the last three weeks of term. We would really appreciate assistance from more parents/carers to enable us to continue this venture through term three.

This will serve a variety of functions – providing access for students who wish to utilise library facilities, a refuge from inclement weather and for those who wish to engage in a quiet activity. If you are able to assist on a regular roster, or infrequently, please complete the tear off in this newsletter and return it to the office.

Thought for the Week
Courage doesn’t always roar. Sometimes courage is the little voice at the end of the day that says, “I’ll try again tomorrow.”

Norm Ireland
Principal
**Interschool Cross Country**

On Thursday 31st May, selected students from our school travelled to the Brookton Country Club to compete in the CGSISA Interschool Cross Country Carnival. I was immensely pleased with the efforts of our students and the brilliant sportsmanship displayed after each race. There were many highlights over the course of the day, but arguably none more so than Jeremy Stevens narrow win in the 15yrs 3000m race! Our school left with our heads held high after finishing second in both Primary and Secondary Shields. A full set of results can be seen in this publication.

**Winter Carnival**

Today many of our Year 5-7 students are travelling to York to compete in the Winter Carnival in the sports of Football, Netball and Soccer. The students have been training hard during Friday afternoon sport and will no doubt try their very best at today’s Carnival. I would like to express my sincere thanks to Steve Byworth for his time in training our Soccer (Football) team.

**Unwell Children**

As I am sure you are all acutely aware the dreaded cold & flu are an unwelcome part of this time of year. Although we strive to have all of our students at school every day, when illness is upon us, we are best to stay at home and rest. Kids by nature are always in close proximity to each other and it does not take much for “the bug” to be passed on if a child is still quite unwell. We would ask to ensure that children are not sent to school if they are poorly or are still suffering the affects of a cold or flu.

**Earthquake!!!**

Earlier this term I mentioned that Beverley DHS was partnering with the University of Western Australia (UWA) in the location and functioning of a seismograph. The seismograph records earthquake activity and transmits this information to a central database. Interestingly in the past two weeks there have been two earthquakes recorded on our seismograph. The first a small tremble near Newdegate and the second was an earthquake yesterday in the Philippines, 500km underground!

**HAYDEN O’MARA**

**DEPUTY PRINCIPAL**

---

**Student Council News**

We would like to remind all students that this Friday, the school will be holding a PJ DAY for all students. If you decide to wear your PJ’s you will be required to bring in a gold coin which will be donated to Princess Margaret Hospital.

For any students interested, we will be holding another Minute To Win It on Thursday 21st June at lunchtime. This week the games are:

- Appeltree’s Applestack
- Aladdin’s Magic Carpet
- Orbiting Oreo

*Sign up forms will be up on Monday.*

We hope you can join us

From The Student Councillors

---

**Kindy Enrolments for 2013**

Please collect an Enrolment Form from the school office. Completed Enrolment forms are due back by Friday **27th July, 2012**.

Children who were born between 1st July 2008 and 30th June 2009 are eligible to attend Kindergarten in 2013.

An Information Session will be held at the Kindergarten at a later date.

---

**MERIT CERTIFICATES** 31.05.12

Yr 1: Oscar Blanch, Cameron Eggers, Thomas Mellick, Earl Balisacan
Yr2/3: Mitchell Ashworth, Bronte Cleland
Yr3/4: Reed Stelfox, Olivia Worster
Yr4/5: Digby Cleland, Taneea Drake-Brockman, Zachary Rieck
Yr5/6: Amber Eggers, Angus Rodgers, Corey Worster
Yr7-10: Brodie Kiernan, Eirene Ballesteros, Chelsea Ugle
Dear Parents/Guardians

We have earn and learn sticker cards available at the front office

This year we will be participating in the Woolworths Earn & Learn program.

The program is designed to assist schools in obtaining valuable teaching resources. From Wednesday 9th May, you can collect Earn & Learn stickers when you shop at Woolworths. There'll be one sticker for every $10 spent (excluding liquor, tobacco and gift cards). Place the stickers onto a sticker card and when the card is full it can be dropped into the sticker collection box here at the school Reception.

There is a "Double Stickers" promotion which started this week 11th June until Tuesday 19th June, all customers who buy specially marked products will be eligible for double stickers on their total shop. As long as you spend more than $10 and include a product from one of eight big brands, including Dove Beauty, Lipton & Flora, you will earn twice as many stickers.

At the end of the promotion, we'll be able to select from over 7,000 valuable school resources including maths & science equipment, arts and crafts material, sports gear and lots more.

For further information go to woolworths.com.au/earnandlearn

Tell your Friends and family who may live near a Woolworths to help us out!

Beverley Youth Talent Show Saturday 4th August 2012
Beverley Town Hall 6.30 pm

AUDITIONS
Saturday 30th June - At the Beverley Town Hall
Come any time between 9.30 am to 11.30 am

Bring your music on CD.
Your act must be rehearsed and in its final stages. You will have the holidays to polish it before the show!
N.B. if you cannot make the audition time please contact me to make an alternative time. Kellie Shaw 0428 481 029 ak.shaw@bigpond.com

CONGRATULATIONS
Jarrod Smith is the proud owner of a 2GB ipod shuffle thanks to Radiowest and The Good Guys Midland.

It was as easy as completing the May Wordsearch. Stay tuned for July’s wordsearch.

P&C Meeting

The next P&C meeting will be held on
TUESDAY 19th JUNE
7.30pm in MOASH building.

We warmly welcome all members of our school community
Hope to see you there!
Please RSVP: bandon@wn.com.au

The T.A.G.S. maths students have been working hard and challenging their thinking processes. After a great few weeks of revision, and for the new comers learning some of the foundations of Maths Olympiads, the students conducted their first Maths Olympiad Competition for 2012. There were some challenges for the students; however they all proved that the creative problems are not beyond their limits. The top scorers in the first challenge were Millie Byworth and Thomas McLean, both scoring 3/5 questions correctly. Congratulations to all the participants for a fantastic effort in the first round, I know that they will continue to get stronger as the competition progresses.

The Year 5/6 group has also started working together on the Mathematical Association of W.A.’s team competition. The competition is called Have Sum Fun Online and runs for three weeks, with a new quiz to complete each week. The students have enjoyed the first two rounds however they have to learn that there is no ‘I’ in team! For this competition part of the challenge is learning how to work together to achieve the best results.

*A tip for budding mathematical thinkers~*
Students often believe successful problem solvers are those who are able to immediately determine a strategy for solving and carry it out. Help your child to realise that they may need to test a number of different strategies before they find the correct one that works for them.

**CHALLENGE**

**Problem solving strategy - Drawing a picture or diagram**
There are 16 teams in a football competition. The champions of the competition (The Beverley Redbacks) have to compete in a single elimination tournament. That is, a team will be out of the tournament after one loss. How many tournament games will the Redbacks have to play?

*Hint - Draw how the tournament will progress.*
YCDI’s focus is on building social, emotional, and motivational capacity of young people rather than on their problems and deficits. It encourages prevention, promotion, and intervention efforts (school, home and community) in order to build the social and emotional strengths of young people.

If You Want to Be Successful, the Excuses Have to Go!

“I’ll do it when I feel more motivated.”

“It will be easier for me to do this work when I have lots of pressure, so I’ll put it off until the last minute.”

“I don’t know how to do this work properly. I won’t attempt it until I know how to do it correctly.”

“If I do this work at the last minute instead of right away, I won’t have to spend too much time on it and, therefore, I will save myself a good deal of time.”

“The world will not come to an end if I put off my work.”

“I’ll find this work easier to do when I’m in the mood, so I’ll wait for that time and do it then.”

“No one really cares whether I do this work or not, so I may as well keep putting it off.”

“I did my work once at the very last minute and I did very well, so why not do it the same way again?”

“I’m feeling tired. I need to rest before I can do my work.”

“I cannot miss out on tonight’s fun. My work can wait.”
Gastroenteritis is a common but unpleasant infection of the digestive system. ‘Gastro’ causes symptoms such as nausea, vomiting, diarrhoea, stomach pains and cramps; and fever.

Rotavirus is the main cause of severe gastro in young children. In Australia approximately 10,000 hospitalisations occur each year in children under 5 years. Vaccinations against rotavirus now occur for babies at 2, 4 and 6 months of age.

‘Gastro’ is transmitted through the faeces and vomit of infected people – by eating or drinking contaminated foods or liquids, or by touching contaminated surfaces or objects and then touching your mouth.

Treatment involves replacing the fluids and body salts lost through vomiting and diarrhoea. Small children can get dehydrated easily. If your child has a dry mouth, is lethargic or has persistent vomiting and/or diarrhoea – they should be seen by a doctor.

The risks of contracting gastro are reduced by:

• Good hand hygiene
• Ensuring hygienic food preparation and food storage

Keeping children home from school for 24 hours after symptoms stop.

Seasonal weather brings viruses and colds.
If your child is unwell and has a fever,
PLEASE REFRAIN FROM SENDING YOUR CHILD TO SCHOOL
