Principal’s Patter:

Australian Curriculum
All classes have spent the first half of this year engaging in the new Australian Curriculum. Whilst full implementation is not due until 2016, a graduated immersion over the next 4 years is being followed. This semester we have been trialling English and its 3 strands – Language, Literature and Literacy to adapt to the changes from our WA Curriculum Framework. Next term we commence Maths, whilst continuing the familiarisation of the English area. Please see your class teacher if you would like further information on this major change.

Staffing
Beverley DHS will have next week, completed a most successful and industrious term. The staff, collectively, have pursued their roles collaboratively and with vigour. We are a settled and highly functioning team seeking to provide an ever better, individualised education for the children. We care about the children in every aspect of every school day.

High School
Thank you
Our efforts to promote our school and its secondary students have received a marvellous boost from Mrs Jenny Broun. Mrs Broun has been working with our students to complete a banner to be erected in St Georges Terrace in Perth. The school community is thankful for these efforts.

You Can Do It
The 5 keys to the You Can Do It program – Confidence, Persistence, Organisation, Getting Along and Resilience have become a feature in our playground. With thanks to Ms Gault, these well presented ‘keys’ have been securely erected to provide an ever-present reminder to us all that with thought, the development of young people’s social and emotional capabilities will be progressed.

Road Safety
I was informed recently of an incident on Lennard Street after school. The miss was narrow. Please talk to your children about road safety, about not running across the road from between cars. Drivers should park on the school side to prevent the need for children to cross the road.

Student Reports
These documents will be sent home next Friday 6 July. They will be enclosed in an addressed envelope. I encourage parents/carers to contact their child’s teacher early in term 3 to follow-up on any queries. The close link formed between home and school will progress each child’s education.

I join with the staff in wishing everyone a pleasant mid year break. Students commence term three on Tuesday 24th July.

Thought for the Week
Education is a means to solving problems, a handmaiden to constructive citizenship, an end in itself, and an object worthy of public support for all these reasons. Thomas Jefferson

Norm Ireland
Principal
Winter Carnival
Although nearing a distant memory now, on Thursday 14th June, a large number of our senior students travelled to York to participate in Football, Netball and Soccer. Not even the blistering cold morning could dampen the spirits of our students as they gave their very best in their selected sport.

A certain highlight of the day was the outstanding participation, effort and sportsmanship displayed by all our students. However saving the very best to last, our sensational Soccer team were undefeated on the day and left with the 2012 Soccer Shield! As they say – winners are grinners! My sincere thanks once again to Coach Steve Byworth for his skill and expertise.

My congratulation to all our students for their efforts and many thanks to the parents who came down to assist and encourage on the day.

Lost Property
The ‘Lost Property Box’ is filling up rapidly with the accumulation of jackets, jumpers, hats and even the odd lunch box thrown in. It is quite amazing to see the number of jumpers and jackets left behind at the end of a school day! Please make every effort that your child has their name on their belongings and encourage your child if they have misplaced an item of clothing, to hunt through the lost property box.

Holidays!
All the very best to all families for the holiday period! I hope that you enjoy the break with your children and I look forward to an industrious and action-packed second semester.

HAYDEN O’MARA
DEPUTY PRINCIPAL

TALENT SHOW
AUDITIONS
WHEN: Saturday 30th June
WHERE: Beverley Town Hall
TIME: 9 AM through to 11.30 AM
[come anytime]

Bring your good luck - there will be raffles on the night

If you have any queries, please contact Kellie Shaw on 9648 1022 or email at ak.shaw@bigpond.com

Come and support the kids

Price includes supper

On the 15th of June we held the Radio West Give Me 5 For Kids pyjama day. We raised a total of $188.50 for the children at Princess Margaret Hospital. We would like to thank everyone who participated in the event.

Every 3 weeks we hold Minute To Win It games for the students at lunchtime. At the previous Minute to Win It, we held 3 games- they were Appeltrees Apple stack, Aladdin’s Magic Carpet and Orbiting Oreos. This was thoroughly enjoyed by all who took part, we will continue with the games if we get a great response.

We will also be selling items for SIDS - RED NOSE DAY which will be available at the front desk or from the choir raffle stall on Saturday 30th June. SIDS and Kids is dedicated to saving the lives of babies and children during pregnancy, birth, infancy and childhood and supporting bereaved families. We deliver on our vision through world class research; evidence based education and bereavement support; and advocacy.

In Australia each year over 3,500 families experience the sudden and unexpected death of a baby or child, either through stillbirth or during the first month of life, from sudden unexpected death in infancy (SIDS or fatal sleeping accidents), SUDC (sudden unexpected death in childhood) or accident.

From the student council
Sports for Schools
Australia’s most successful schools program is back!!!

Last year we were one of 7,500 schools who shared in over $10.2 million worth of sports gear. Help support our school to gain new sports equipment. Vouchers collected from Coles can be deposited in the collection box located in the school office. Thanks for your support.

Woolworths Earn & Learn - Extended until 12th August 2012

We have earn and learn sticker cards available at the front office

Tell your Friends and family who may live near a Woolworths to help us out!

YCDI's focus is on building social, emotional, and motivational capacity of young people rather than on their problems and deficits. It encourages prevention, promotion, and intervention efforts (school, home and community) in order to build the social and emotional strengths of young people.

Outback Air Race 2012

The Outback Air Race 2012 is an event held to raise money for the Royal Flying Doctor Service.

As an entrant our team is committed to raising a minimum of $2,000.00 per person and your help to raise this money would be greatly appreciated.

All donations over $2 are tax deductible.

HOW TO DONATE. Just go to the Outback Air Race website (see below) to the Fundraising page and click on http://www.everydayhero.com.au/oar_atom

Identify our team and make your donation. Alternatively you can forward your donation to me and I will process it and provide you with an RFDS receipt.

For more information please go to http://www.outbackairrace.com.au/

If you can provide any assistance to help us raise funds for this worthy cause, please phone me on 0429 461 569.

Yours sincerely,
“Alan Sattler
TEAM NAME “ ATOM”

Serious about your sport? Your netball Future is In Your Hands

Healthway and The Smarter than Smoking Project are giving all 10 to 17-year-olds in WA the chance to win a coaching session with renowned netball coach Norma Plummer. There are also runner up prizes including netballs signed by Norma Plummer and West Coast Fever Tickets.

Norma Plummer took over as coach of WA’s flagship netball team the West Coast Fever this season after a brilliant coaching career with the Diamonds, Australia’s national netball team.

She coached the Diamonds to 67 victories from 89 tests from 2003 to 2011 – a success rate of 75% – and is widely regarded as one of the toughest and most talented netball coaches in the world.

Healthway’s Director of Sponsorship, Melissa Guppy, said “It is thanks in part to the Smarter than Smoking campaign that WA now has the lowest smoking rate among young people in the nation, at 4.8%.”

To enter the competition visit the new Smarter than Smoking interactive website www.futureinyourhands.com.au, view the video footage of Norma Plummer displayed at the top of the homepage and answer the question “why you shouldn’t smoke if you’re serious about sport”. The most original and creative answers win prizes.

The competition opens today and closes on the 31 July 2012. The winning entry will be announced on www.futureinyourhands.com.au by, 13 August 2012. Smarter than Smoking is implemented by the Heart Foundation on behalf of a consortium of major WA health agencies, and funded by Healthway.

[For more information please contact:
Sandy Oliver, Media and Communications Manager, The Heart Foundation
Ph: 9382 5947 or 0403 348 749 or Natalie Quinn, Smarter than Smoking Manager 9382 5917.)
