The Deputy’s Dialect:

Happiness- I suspect that the happiest people you know are the ones who work at being kind, helpful and reliable- and happiness sneaks into their lives while they are busy doing those things. It is a by-product, never a primary goal. Harold S. Kushner (American Rabbi)

Term 4
Welcome back to the final leg of the 2013 school year. There is lots happening this term with student assessments, reports and presentation night, as well as the continuation of our normal learning programs in each classroom. Norm is currently on holiday in the wilds of Africa for the next few weeks and I will be filling in for him during that period of time.

NAPLAN
Accompanying today’s newsletter are student NAPLAN reports. Your school and its students have once again performed very well. Not only have we surpassed the state average in many of the Yr3, 5, 7 and 9 assessments, we have also scored above the Australian average in several of the tested areas.
Another outstanding performance on the back of last year’s achievements, and one that parents and community members should be justifiably proud of and heartened with the standards your school is maintaining.
Congratulations to all our teachers who have developed their teaching and learning programs to achieve these marvellous results.

Hats
Whilst we were wearing hats when outside last term it is now more important for all children to be wearing their hats in the playground at recess and lunch during the increasing warmth of term 4.

Front Office Display
Our class displays are a highlight of the administration area and provide a welcome infusion of colour and discussion.
Mrs Minchin is currently displaying her Carnevale masks that were displayed at the Beverley Show. Miss Pryde is also displaying her ‘Moral of the story motivation’ work and character posters. Thankyou to Mrs Minchin and Miss Pryde for their contributions to the front office.
From next week Mrs Morrell will be displaying some of our senior students work in Maths and Science.
Please take time to enjoy their work.

BOOK FAIR IS COMING!!!!!!

Everyone is welcome, parents, grandparents and community members!

Our annual Scholastic Book Fair will be held on:

Tuesday 29th October 2013 8:30am to 4:00pm
Wednesday 30th October 8:30am to 4:00pm
Thursday 31st October 8:30am to 2:00pm

Cash, cheque and visa accepted.

The Book Fair is a great way to shop for Christmas gifts and see some of the latest releases of children’s books, as well as old favourites. We also have a range of novelty items for $5 or less.

Every item sold contributes to our School Library through commission received as donated books, or cash to spend in other ways.

Each student will have the opportunity to visit the Fair with their class, and at recess and lunch times. Children are able to write a wish list of the books they like, but all students are reminded that the wish list is not a guarantee that their parents will buy something.

It’s a good idea to talk to your child before the Book Fair to discuss your family views on whether you will be visiting the Fair, and if you will be making any purchases. Please do not send large amounts of cash with your child. Visa forms are available to be sent home and we will also accept cheques.

Dear Parent / Carer / Friend,

We are running a Tea Towel Fundraiser!

The school P&C is running this popular group tea towel project to raise funds for educational resources to be used within the school.

Who doesn't use a tea towel everyday? Why not purchase a great keepsake. With Christmas around the corner why not purchase one for nan and grandma as well.

The unique tea towel design is made up of drawings by all our students at Beverley district high school from kindy to year 10. The drawings have been arranged into one commemorative design and screen printed in red onto high quality white tea towels.

We chose tea towels because the project gets the children involved, produces a wonderful memento and meaningful gift for parents, relatives and special friends. The tea towels look amazing and make a fabulous reminder of your child’s early years. There is a sample tea towel hanging in the school office to view.

ONLY $14 for a limited edition tea towel OR SAVE by ordering 2 for $25 Tea towels can be ordered by returning your order form below with payment to Beverley District High School in an envelope clearly marked “TEA TOWEL ORDER”.

Make sure you don’t miss out! Preserve your child’s artwork to remember forever!

We can’t do it without you - support your school P&C by purchasing your tea towels today

Final orders are due before **week 3 term 4 Friday 1st November**

If you have any queries please call Roslyn Moulton 0409732658

**Carnaby’s Black – Cockatoo Breeding Range Survey September—December 2013**

BirdLife Australia is asking people across the Wheatbelt and Great Southern regions to be on the lookout for the large white-tailed black-cockatoos known as Carnaby’s Black-Cockatoos between now and Christmas and report any findings.

Western Australia is the only place in the world where you can find the Carnaby’s Black-Cockatoo. They were once very numerous across the Wheatbelt but the species population has declined since the 1950s and some local populations have become extinct.

BirdLife Australia would like you to report sightings of Carnaby’s Black-Cockatoos in the area between now and December 2013. This will help them to understand how the species range has changed, and identify key breeding and feeding sites where they can direct recovery efforts. They would also like to hear if they used to be present in the area but no longer occur here.

Please take a few minutes to fill out the survey form on BirdLife Australia’s website:

All information you provide will make a significant contribution towards the species’ survival and will be confidential.
