A Notice from your School Council

As Beverley DHS is to begin operating as an Independent Public School as of 2017, our current School Council will be dissolved, and replaced with a new School Board. The School Board has a significant influence on setting the school’s directions for the future and ensuring that the school’s vision matches that of the community.

Many parents and community members who attended our community forum and IPS information evening expressed an interest in becoming more active in having a say in the direction of the school. We would like to invite parents who might be interested in contributing to the new Independent Public School Board, or who are interested in finding out how the Board will operate, to an afternoon tea and discussion with existing Council members and staff.

This will be an informal meeting to allow people to ask questions and talk to existing Council members about their role. We would like to encourage any parents who are even thinking about how they might become more involved in the school to come along and find out more.

Independent Public School Board
Afternoon Tea and Information session
Thursday 27 October at 2pm
In the Art Room
ALL WELCOME

The meeting is timed to coincide with Book Fair, as we know that many parents like to pop in and have a look at the books set up in the library for purchase. It’s always a fantastic display, and funds raised directly support our school.
