

BDHS 'Be Very' Calendar

To celebrate our school and involvement in the community, we have collated pictures of all of our students (with photo permission) to form a professionally **colour printed calendar for 2019.**

Each family will receive **1** calendar free of charge and have the opportunity to purchase further calendars at a subsidised cost of \$5 per calendar.

Should you wish to purchase additional calendars, please return the slip below by Friday 7th December. Orders will be distributed to students by the end of term.
