

## SCIENCE IQ

Science IQ is a state-based competition run by the Science Teacher's Association of WA (STAWA). Over two weeks, teams of students access online questions requiring collaborative research which must be completed within an hour.

Our science extension class was divided into three teams for the competition and we were extremely proud of their efforts.

First place – Team 2  
Sophie, Seth and Hannah

Second place – Team 1  
Zoe, Ella, Oliver and Fred

Third place – Team 3  
Sophie, Leah, Grace and Tom

### **It's back! The BDHS Talent Show**

Can you juggle, train your cat to sing, tell jokes or do magic tricks? We want you!  
We'll take singers, dancers, comedians, musicians – anyone with talent.  
The talent show will take place late in term 3 for students attending BDHS.  
Auditions will be held at school during lunch times in week two of next term.  
That means you have ALL holidays to choose your act and practise it!  
You can do a solo or a duet or something in a small group. We know we have amazing talent at our school – let's show it to the world!  
Keep your eyes out for further information around the school. Good luck.

I'm so excited!  
See Mrs Shaw if you have any questions.

### **It's "J" Day**

**Friday 30<sup>th</sup> June**

To finish off term two with a bit of fun, your student leaders would like you to come dressed up as anything beginning with the letter 'J'.

There'll be lunchtime games and prizes for every classroom!

Join in the fun and be as creative as you can. **This is a free event.**
