Stormwater Harvesting Grant

On 17th June Hon Mia Davies MLA, Minister for Water attended the official opening of the Beverley Stormwater Harvesting Project. She announced that the BDHS P&C was successful in its $98000 grant application toward a school Stormwater Recycling Project. This project will reduce the reliance on scheme water and increase our capacity to water the school grounds, saving the school around $20000 per year. The school and the P&C are extremely thankful for support of the Department of Water and Hon Mia Davies MLA.
