Stormwater Harvesting Project

Our P&C, together with the school, have embarked on the journey toward establishing a sustainable water source for school grounds by the construction of our stormwater harvesting project. Construction started this term to dig the water basin with Mr Ray Collard at the wheel and we are well on the way to completion of the basin. We, like everyone else, are looking forward to some excellent winter rain to supply us with plenty of water to sustain our beautiful school grounds.

Australia's Biggest Morning Tea!

Australia's Biggest Morning Tea will be held tomorrow the 19th May **at the Town Amenities Building 10-12noon**, in conjunction with a performance by the school Choir and the **Faction Cross Country day**. This event raises funds for the Cancer Council. Everyone is welcome!

MOTHER'S DAY CELEBRATIONS

Mother's Day was celebrated widely throughout the school! Our Kindy and Pre Primary held Mother's Day Afternoon celebrations that involved lots of singing, dancing, puzzles, bracelet making and some yummy afternoon tea for our special mums! Other classes made a raft of cards and special gifts for mums to enjoy on their special day.
