Celebrating excellent achievement at Beverley....

Since 2015, our early childhood teachers have been working with students on a systematic phonics program to assist them to develop accurate word reading and spelling skills from early on. This helps to ensure that students have a flying start to early literacy and don’t ‘slip through the cracks’. Our 2015 results showed that the students made excellent progress in word reading and spelling. The results for 2016 have been equally impressive.

OLNA Results:
Eligible Year 10 students sat ‘Online Literacy and Numeracy Assessments’ in March. A number of students completing the assessments have demonstrated the pass levels which will be required by the end of Year 12 for them to achieve the WA Certificate of Education. Congratulations to the following students who have achieved passes in the most recent round:

- Macadem Doughty-Munro  Reading
- Courtney Tee            Writing
- Kaitlyn August          Writing

The Great Beverley DHS WasteWise Chicken Coop Project....
The committed and enthusiastic Mrs Sarah Aynsley successfully applied for a Wastewise grant for school, and has worked with students and our wonderful gardener Jethro Sleer to plan the project, gain approvals, and begin construction of the coop.
It will incorporate its own water harvesting system, makes use of recycled materials, and will let us turn food scraps into eggs for vege soup and pikelets .... a great initiative to foster rich learning for students and a boon for the school!
We would like to thank Avon Trading for their support, and appreciate the generous help of Beverley Electrical with ditch digging for the project.

WILD ‘ONESIE’ DAY
Wednesday 25 May
Wear your favourite ‘onesie’ or something animal related and help support the WWF.
Please bring a gold coin donation.
