Faction Athletics Carnival Friday, 25th August 2017

The **Faction Athletics Carnival** is on tomorrow. Thank you to those who have volunteered to help out on the day; your support is much appreciated! Can volunteers please be at the oval at 8.20am for a carnival briefing and for those who are able to assist with the set-up please be at the oval at 7.30am. All children are to attend school and will walk over to the oval in faction groups.

A BIG THANK YOU to Brendan McLean, Scott Morrell, Ben Murray, Zoe Wilkinson and Steve Moore who did the line marking of the oval this week. Our informal Sports Committee are an amazing support crew and we would be lost without them. To those parents who are in their last year as a parent of students at Beverley DHS, we would like to thank you for your support and effort over the past years; it has been very much appreciated and you will be sorely missed.

WA Education Awards

We are delighted to announce that Gay Vandenberg has been nominated for the WA Education Assistant of the Year Award. Mrs V is a long-standing staff member who works with students who need support with literacy and numeracy, and does many behind-the-scenes jobs around the school. The nomination was supported by staff and welcomed by students and parents.

Year 10 Work Placement Program

This term our Year 10 students have been offered the opportunity to undertake Authority-Developed Workplace Learning in local businesses in Beverley. This is a Year 11 Program that Contributes toward their WA Certificate of Education. We are so thankful for the generous community support for our students.

Jessi (pictured right) has been working with the staff at the Beverley CRC. She has been enjoying her time learning about the administration skills required to work in an office situation. We would like to thank Amor Moulton and the CRC staff for offering this opportunity to Jessi.

Abby (pictured left) has joined the staff at the Beverley Pharmacy this term for work placement. She has a keen interest in medicine and has so far been developing her skills in store presentation, management and organisation of prescriptions, product logging and greeting customers. This has been an enjoyable and valuable experience for Abby that is giving her skills to use in her future career path.
