Our students welcomed the opportunity provided by the Beverley Show to show off their talents and hard work. They might even have enjoyed the rides and the show bags as well...

Thanks to Sarah Aynsley and Jethro Sleer for their work with two hats on for the Show. Mrs Mearns, Brandon, Kaitlyn, Louise, and Jess from Room 10 along with Mrs Jo Sims worked hard on Friday setting up for the Show. As well as helping with displays, they prepared food for visitors to the Show’s official opening.

Well done to students who entered their work at the Show. Congratulations to students who won places and commendations in the Exhibition Shed.

The entries of students from the school’s Photography club, led by Marie Walker, were a particular favourite amongst visitors. Items from the D&T workshop also impressed visitors to the Shed.

Congratulations to the school choir and Kellie Shaw for their wonderful performances.

Well done to Head of School Courtney Tee who provided an Acknowledgement of Country at the official opening of the Show.

WHO’S ON YOUR SCHOOL COUNCIL?

The School Council is the most important governance body operating at Beverley DHS. Our current School Council Chair is Brendan McLean. Brendan is a local farmer with three children. His eldest son started school as a Kindergarten student at Beverley in 2005. His youngest daughter Grace is still at school here. Brendan is very well regarded as Council Chair because he ensures that Councillors can all be heard and can contribute meaningfully to the school’s strategic planning. Council minutes are available via the Connect Parent library or via the Beverley DHS website.

Faction Athletics Carnival on Friday 26 August

Students have been practising hard for the Faction Athletics Carnival. It’s been great to see them practising their team games, jumps, sprints and relays over the last few weeks. Thanks to all those parent and community volunteers who will be helping on the day with timing, place judging, raking, catering, setting up and packing away. Your contributions are invaluable. It is wonderful to have so many parents who are able to juggle work, childcare and other commitments to come along on the day and cheer the students on.

NAPLAN reports

NAPLAN reports for students in Year 3, 5, 7 and 9 will be sent home this week. Please contact your child’s class teacher to discuss results or any additional support or extension your child might benefit from.

SCHOOL FETE

16 September ‘16

Don’t forget to send unwanted goods in ‘as new’ condition in to the school for the P&C fete raffles and stalls. Lock the fete date into your calendar and come along for an afternoon of fun and fundraising for the school’s planned new nature playground.

Keep your shower to 4 minutes or less.
