- Uniform Order

Semester 1 Reports

School reports will come home with your child today. Our students have been working extremely hard, and the number of students 'working to the best of their ability' has improved significantly across the school. We are very proud of our students. Teachers put considerable thought into the reports, and the comments and grades are based on careful assessment and observation. Please read through them carefully and discuss them with your children.

You will note the new 'digital' signatures on the report. We need to enable this option to allow us to send digital copies of the reports to parents who request this. Next semester, all parents will receive both a digital and a paper copy of their child's report. If you have any concerns or questions about anything in your child's report, please contact your child's class teacher in the first instance. You can email, or call the office to make a time to either talk on the phone or come in to school for a face to face meeting.

Tomorrow is J Day – Friday 30th June

To finish off term two with a bit of fun, your student leaders would like you to come dressed up as anything beginning with the letter 'J'.

There'll be lunchtime games and prizes for every classroom! Join in the fun and be as creative as you can. **This is a free event.**

Year 5/6 Assembly and Parent Afternoon Tea

The Year 5/6 assembly was a fabulous performance with entertaining and educational dancing and choral speaking. Thanks to Mrs Cooke, the Year 5/6 P&C class rep, for organising an afternoon tea for parents in the classroom after the assembly.

Fond Farewells

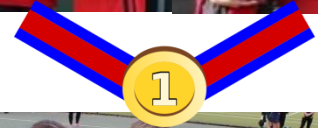

Farewell to Mrs Jane Putrino who has been working in a number of different classes and in a number of different capacities across our school since 2015. We greatly appreciate Jane's professionalism, hard work and dedication for improving outcomes for students and wish her well in her future roles. Farewell to student teacher **Tegan Ashworth** who has completed her practicum in the Pre-Primary this term. The students and staff really enjoyed having Miss Ashworth in the class.

WINTER CARNIVAL – Friday 16th June 2017

Beverley students fought hard at the 2017 Winter Carnival hosted by Brookton DHS this year. Our teams played in great spirit and represented Beverley DHS with pride! Congratulations to all of our teams for putting in such a great effort and displaying such great sportsmanship! Thank you to our parent helpers, spectators and coaches who attended the carnival to cheer for our students. Your help is invaluable and we are so fortunate to have your support. The Soccer and the Netball teams won their shields on the day!! **CONGRATULATIONS!!!!** To our footballers, you played to win on the day, it just wasn't our turn to win this time – look out Brookton, Pingelly and York footy teams in 2018!!!!

VOCATIONAL EDUCATION FOR SECONDARY STUDENTS

Opportunities for Secondary students

At Beverley DHS we are keen to ensure that appropriate opportunities are available for our secondary students who wish to pursue vocational (trades) courses in senior secondary school or traineeships or apprenticeships when they leave school. We are excited to be offering a **Certificate 1 in Construction** to eligible Year 10 students with training and assessment provided by VETIS Consulting. Students will complete theory and practical learning, attain a white card, and earn credit towards their WA Certificates of Education. This program is in addition to opportunities for workplace learning provided next semester.

Old MacDonald Farm Visit – 22nd June

Thursday was an exciting day for Kindy, Pre-Primary and Year 1 with Old MacDonald's Farm visiting. We had an awesome time learning how to pick up chickens, feeding the baby animals and trying to work out what the alpaca was. Thanks Miss Ashworth for organising a great incursion.

The school would like to thank the P&C for their wonderful contribution to the stormwater harvesting project. Kind thanks to P&C President Bruce Kilpatrick for organising a team of helpers to fence the dam, including Matt Davey, Damien and Ben Murray, John Hawke, Lindsay Doyle, Scott Morrell, Steve Moore, Guy Slingerland, and Phil Veitch.

It's back! The BDHS Talent Show!

Can you juggle, train your cat to sing, tell jokes or do magic tricks? We want you! We'll take singers, dancers, comedians, musicians – anyone with talent. The talent show will take place late in term 3 for students attending BDHS. Auditions will be held at school during lunch times in week two of next term. That means you have ALL holidays to choose your act and practise it! You can do a solo or a duet or something in a small group. We know we have amazing talent at our school – let's show it to the world! Keep your eyes out for further information around the school. Good luck. I'm so excited! See Mrs Shaw if you have any questions.

****Special Menu for last day of Term****

Please select a second option on lunch as we are running out of stock for holidays.
