Congratulations and Thankyou - Faction Athletics Carnival – 26 August 2016

Our annual Faction Athletics Carnival gave students the opportunity to showcase their sporting skills and talents. Congratulations to students who came along and participated in individual and team events, earning championship points for themselves and points for their factions. A list of the championship winners and runners up is on Connect. Dale faction won the day!

It is always really great to see students participating and having a go, even when athletics is not their strong suit. We applaud participation and sportsmanship, and this was on display by all students who attended the carnival. Thanks to students who happily jumped in to ensure teams were filled and factions were represented.

We would like to extend a huge thankyou to all our helpers on the day and in the lead up to the carnival. Thanks to those who helped with line marking, measuring, marshalling, timing, judging, raking, announcing, ribbon pinning, cooking, serving, setting up, and packing away. There wouldn’t be a carnival without you!

WHO’S ON YOUR SCHOOL COUNCIL?

His wife Sharyn is the secondary maths and science teacher. Scott was born in Beverley and went to primary school here before finishing his secondary schooling in Perth. His parents bought a farm in Beverley in 1975, and now Scott’s business provides contract spraying, hay baling and harvesting services.
