### WA Education Award Nomination

We are delighted to announce that Mrs Tracy Hare has been nominated in the latest WA Education Awards. Mrs Hare's nomination for WA Education Assistant of the Year is based on the outstanding work that she does in supporting students' speech and language development. Mrs Hare has specialised skills in this area and our students in Kindy, Pre-Primary, and Junior Primary love working with her in activities that help them to communicate clearly. She also does outstanding work supporting special needs students across the school.

### Behaviour Management Policy

The School Board is currently in the process of reviewing the school's behaviour management policy, with input from staff and the Positive Behaviour Support committee. Our School Board has a major role to play in setting the direction for the school, planning for improvement, and helping to formulate and review school policies. Board Chair Carly Veitch leads a team of parents, staff and community members to ensure that all sectors of the school community have a chance to be heard. The revised Behaviour Management Policy is due to be finalised at the upcoming School Board meeting next Wednesday evening.

### Letting us know if something is wrong

The school is committed to ensuring good communication with the school community, and making sure that the concerns of students and their families are addressed. We have recently updated our **complaints policy and procedures**, to give parents and carers clear information about how to make a complaint. We have attached the pamphlet, **Talking to Your School**, to the back of this newsletter. This pamphlet, as well as a copy of the revised complaints policy and procedures, is available from the front office or on the school website. If ever you are unsure about how to go about making a complaint, you can contact the school office for advice.

**Our Year 3/4 classes have their dancing shoes on..... SAVE THE DATE: 2<sup>nd</sup> November 2018**

Our students are well underway with practice for the whole school production based on the movie Shrek, in Term 4. Students have been enjoying weekly dance classes with volunteer dance teacher, Kelly FitzGerald. Our main cast have been busy practising their lines and devoting precious lunch times to dialogue and scene practice! Costume notes have been sent home with the students; please contact the teacher on the note with any queries regarding costumes. This has been a fabulous opportunity for all of our students to explore their creative side! We are looking forward to seeing the production come together this term, ready for the big night. *Pictures: Year 3/4 dance classes*

**High School Rugby Jumpers**

Our high school students were very excited to receive their new high school rugby jumpers this week! We are working hard to create a point of difference between our high school and our primary school to give our students a stronger secondary presence in the school. Don't they look fabulous!!
