FROM THE OFFICE ....

Thanks and Congratulations

The Show... Congratulations and thanks to the Beverley Agricultural Society for another fantastic show this year. The school is very proud to be part of such a wonderful community event, and we would like to acknowledge all the work that goes into the planning and organisation of an event like this one.

Well done to all our students who put entries into the Show. Some students entered work completed at school, while others were very busy at home. All the students who contributed to the displays showed their talents to the world, and some even won awards for their entries in the cooking, handicrafts, photography and art categories. It shows that hard work and perseverance can certainly pay off.

The wonderful art display with the Sustainability theme created under the guidance of our Artists in Residence Charlotte O’Shea and Jenny Broun deserves special mention. This project, co-ordinated at our school by Corinna Thomas, has resulted in outstanding creative efforts and teamwork from our students and their teachers. The fantastic quilt and education display by our students in Room 10, created with the help of our learning support team led by Gay Vandenberg, Marie Walker and Tracy Hare, was another standout. Thanks also to the P&C for their fundraising efforts at the Show to support our school.

Verna McKelvie.... has been a fabulous supporter of our school through the School Council and P&C, but with fundraising at the Show her final big effort, she will now be leaving us. We would like to offer our appreciation to Verna for longstanding and valuable contribution to our school.

On the running front.....Well done to our secondary cross country team for representing our school so well at the interschool carnival at Meckering last Friday. Congratulations to Eliza Higgins on coming third in her event.

While I was away..... I’d like to extend a big thankyou to Aliesha Murray and Kellie Shaw for stepping in while I took a couple of weeks of long service leave. Everything ran very smoothly at school thanks to their dedication and the invaluable support of our office team.

News and Views

Work experience... Our Year Ten students are currently undertaking work placements every Wednesday with various businesses and organisations around town. We would like to offer our most sincere thanks to these host employers for giving our students this opportunity to develop work skills in a supportive environment. These work placements will also allow students to gain credit towards their WA Certificate of Education qualifications.

We acknowledge with great appreciation the managers and co-ordinators at Avon Trading, Beverley CRC, Beverley Health Service, Beverley Pharmacy, Beverley Supermarket, Hydaboom, Shire of Beverley, as well as Jethro Sleer for supervising a student employee at Beverley DHS. Thanks to Aliesha Murray for co-ordinating this program.

Book Week Dress Up parade.... Book Week is always great fun. Well done to everyone who took the time to dress up as a favourite character yesterday to show your love of books to the world. Thank you to Mrs Adams for organising it and to the student councillors and Mrs Shaw who did a fabulous job of officiating at the parade.

Oops!

Email sent in error..... You may have received an email requesting your registration as part of a Connect Community. The school is currently developing a new parent communication system involving email notifications direct to your inbox. The email requests were generated automatically as part of this process, before the setup was completed. We apologise for this error and for any inconvenience. If you have already registered, no harm is done, but you will have noticed that the community is not yet fully functional. We will provide information about the new communication system once it is fully developed and invite you to register at that time.

Upcoming Events

Faction Athletics Carnival... We are all looking forward to the sports carnival to be held on Tuesday 1st of September - a very auspicious date, and therefore sure to bring perfect weather conditions!! We hope you will join us for a fabulous day of sportsmanship, cheering and fun. Your children will love to see you there. Don’t forget to make sure your children have water bottles, sunscreen and hats and that their clothes and gear are all marked with names.

The Spelling Bee ....is on again this year for students in Years 4-6. Beverley student Mackenzie Thomas was the winner of the Year Four division of the interschool competition last year. Make sure you nominate and give her a run for her money!! School heats will be held on Thursday the 3rd September.

Kindy Fathers Day evening is on Wednesday 2nd September.

Did you Know?

- Eligible Year Ten students will soon be sitting a new round of OLNA assessments
- Parents will soon receive individual student NAPLAN reports from the May NAPLAN testing
- Kindy enrolments are now open for 2016
- All parents are welcome at P&C meetings, and the next one is scheduled for 7pm on Tues. 8 Sept 15.

Just for Fun

I told my friend she drew her eyebrows too high....She seemed surprised.

Wendy Moore
Principal
Kindy Enrolments for 2016

ENROLMENT FORMS ARE NOW DUE BACK

If you wish to enrol your child in Kindy for 2016, please collect an Enrolment Form from the school office.

Children who were born between 1st July 2011 and 30th June 2012 are eligible to attend Kindergarten in 2016.

An Information Session will be held at the Kindy at a later date.

BOOK WEEK DRESS UP DAY
26th August 2015

Waterwise Tip:
Install a modern dual-flush toilet, which uses only 4.5 or 6 litres for a full-flush and 3 litres for a half-flush (single-flush toilets use 11 litres every flush).

RECYCLABLES WANTED FOR ART

Please send any clean plastic bottles (e.g. plastic soft drink or water bottles of any size) to school for our art projects. Clean plastic tubs are great too, especially Mundella yoghurt pots. Cardboard boxes or tubes of any shape or size are always very handy. We do not need milk cartons thanks.

CHOCOLATES!!!!

The P + C are again selling chocolates as a fundraiser. If anyone in the school community would like to assist us by selling a box of chocolates, please contact Cara Hammond on 0400 762 889 to collect them.
Healthy foods for healthy bones!

National Healthy Bones Week runs from the 4th - 10th of August. This week is all about raising the awareness of calcium rich foods that we can eat to develop and maintain healthy bones and to ward off diseases such as osteoporosis down the track. Research has also shown that foods high in calcium, such as milk, cheese and yoghurt, can also protect us against heart disease, stroke, type 2 diabetes, high blood pressure and some cancers.

The dietary guidelines for eating dairy suggest that children aged 4-8 should be eating 1.5 to 2 serves a day and children aged 9-11 should be eating 2.5 to 3 serves a day.

One serve of dairy is the equivalent to:
- 1 cup (250ml) of milk
- 2 slices (40g) of cheese
- ¾ cup (200g) of yoghurt
- ½ cup (120g) of ricotta

Reduced fat varieties are recommended except for babies under the age of 2 who should always have full fat for their growth and development.

For adults and children who have lactose intolerances dairy should not be avoided. Low-lactose and lactose-free milks and yoghurts are available. Cheese doesn’t contain very much lactose, so it shouldn’t be a problem for most people with an intolerance.

If you or your child has a dairy intolerance that you would like help with, you can make an appointment with the Dietitian at your local Primary Health Service by phoning 9690 1320.
