FROM THE OFFICE ....

We have had a wonderful start to the term with students getting into their new themes for the last term of the year!

Swimming Teachers
We are asking for Expressions of Interest from swimming teachers for our In Term Swimming in Term 1, 2016. We require four qualified teachers from the 8th – 20th February. If you are interested please contact the school on 96461165.

Boxercise
Lyn Kay has been challenging our High School students with Boxercise this term!! The year 8 – 10 students are very excited about the return of Boxercise to start their Tuesday mornings!

Year 5/6 Camp
Our Year 5’s and 6’s are on camp this week. Reports back have been about the fabulous time the students are having. We would like to express our sincerest thanks to Mrs Kellie Shaw and Mrs Corinna Thomas for the number of hours it has taken to organise this camp for our students. We would also like to thank them, along with the parents attending this week, for the hours that they have forfeited with their families in order to make this possible.

Men’s Shed Bird Nests
Our Year 2 Class has attended the mounting of the bird nest boxes made by the Beverley Men’s Shed. This is a very interesting ecological sustainability project that the school will be following over time. Thank you to Mr Fred Bremner and the Beverley Men’s Shed for their time and effort in involving our students.

What’s on the agenda this fortnight:

Student Council Assembly
Our next assembly will be on Monday 26 October at 1.50pm. It will be hosted by the Student Council. Parents and community members are welcome to attend.

Book Fair
Our annual book fair will begin on Tuesday 27th October. This is a great opportunity to help you to encourage your child to read, while supporting the school at the same time.

Halloween Disco
The P&C have organised another fun event for our students on Thursday 29 October, this time with a Halloween theme. Wear your spookiest gear – or just be cool in black – and we will see you there. The disco begins at 4.30 for K-5 students and 6.30 for Year 6-10 students. Entry will be $6 and a meal deal including entry, a sausage sizzle and water will be $10.

T 20 Cricket
T20 Cricket has been organised for November 3rd. Brookton will be hosting the competition this year and we will be taking one boys’ and one girls’ team comprised of Year 5 and Year 6 students. There will be team try-outs next week and notes will be sent home shortly after this.

......Continued on page 2
NAIDOC Celebrations

We are celebrating NAIDOC day on November 3rd this term. Urban Indigenous are visiting our school on this day and they will be running multiple activities with all of our students. The students will also participate in a range of other activities, and have the chance to enjoy soup and damper prepared by Mrs Margaret Mourach for lunch.

Swimming Lessons

Please note that swimming lessons for Year 3-10 students will commence on Thursday 5th November. Please ensure your child has the necessary gear for lessons.

Beverley ‘Parent Connect’

Beverley DHS Parent Connect is a tool for keeping parents informed about activities at Beverley District High School. Parents who have provided the school with email addresses receive email notifications with a subject line that begins New Notice or Connect Account Created, from an email address called Connect Notifications. Parents will have begun to receive these notifications, but might not have known what they were about.

These notices will replace newsletter emails and some of the text messages that you have previously received from the school. You can look back through these notices at any time by visiting the Connect website. You will be able to access calendars of events, newsletters, forms, timetables, excursion information and other resources through the Beverley DHS Parent Connect Library.

To access all of this information, you will need to register with Connect. If you do not register, you will still receive emails, but won't be able to access the attachments or additional information in the Library such as excursion notes or newsletters. Once you have registered, you will follow a link to set up a password and can then visit the official Beverley District High School Connect Community and look for Beverley DHS Parent Connect in the Classes tab at the top of the page.

For the rest of this year, we will just be using the Beverley DHS Parent Connect group for sending school news. Teachers will not be using this tool to tell you about your child’s learning programs yet. During 2016, each of the primary and secondary classes at Beverley DHS will develop and use its own Connect tool so that parents have information about the learning programs specific to each of their children, as well as having access to their child’s regular homework tasks and a range of educational resources.

Please contact the school if you have not received information about your password. We will be happy to assist you either over the phone or on one of the computers at school.

Just for Fun

Why didn't the skeleton want to go to the school Halloween disco?
Because he had no body to go with!

The Junior Science Lab is looking for the following recyclable items – can you help?

Please leave your contributions at the front office or send it to school with your child for delivery to Mrs Aynsley. Thank you.

**Enrol online now at education.wa.edu.au/swimming**  
T: 9402 6412

Enrolments for December/January programs are now open. It is important for every child to learn to swim and develop essential water safety skills. VacSwim’s school holiday swimming programs are conducted by qualified instructors who teach children the skills to be confident swimmers and safe in the water. This year there has been a small price increase from $10.00 per enrolment to $12.50 per enrolment (family enrolment for three or more children living at the same address is now $34.50.) For further information and online enrolment visit education.wa.edu.au/swimming

VacSwim is also looking for swimming instructors and provides part-time employment opportunities for school staff during the holidays. For further information please telephone 9402 6385.
Walk Over October aims to get people walking more and sitting less. Walking is a simple and cheap way to be active. Walking for transport is also good for the environment as it reduces pollution from cars.

How much walking is enough?
10,000 steps each day is the recommendation for good health, or about six kilometers. Why not try using a pedometer to count your steps each day?

How can you get involved?
- Your school can get involved in Walk to School Day (21st October 2015 or another chosen time in the month)
- Community and workplace events
- Online walking challenge

What happens when October is over?
Walking is a good way to be active all year round. If possible, try and include some of these every day.
- Walk your kids to school to drop them off and pick them up.
- Park your car about 1km away from the school or bus stop and walk the rest of the way.
- Walk rather than drive your car to work meetings or when running errands around town.
- Set up a walking group with friends.

---

**Proud to be a Waterwise School**

Waterwise Tip:

Follow the label directions closely when using garden chemicals and fertilisers. If these materials are overused, they may wash into drains, enter our rivers and cause outbreaks of blue-green algae.

---

**BEVERLEY DANCE CONCERT**

1:45pm Sunday the 25th October @ Beverley Town Hall.
Tickets at the door, $20 for adults and $10 for children under 15 years.
All welcome. Please come down and support our young dancers.
