FROM THE OFFICE ....

Interschool Swimming Carnivals
Beverley hosted the CGSISA interschool swimming carnival this year. Our students participated with great sportsmanship and excellent skill, resulting in Beverley bringing home the shield!! A big thank you must go to Brendan McLean and Andrew Shaw for all of their support in the organizing and running of the day. Another huge thank you to all of the volunteers, school staff and community members who made our carnival run so smoothly. We are so fortunate to have such a strong school community. Swimming carnivals cannot happen without a pool and we would like to recognize the efforts of Brad Miller and the Shire of Beverley in providing us with such an excellent facility. Overall the day was a great success! A small team of secondary students also travelled to Wongan Hills to participate in the secondary interschool carnival there. We thank them for representing Beverley so enthusiastically.

Tennis Cup
In another display of sporting success, our Tennis Cup team of Bronte Cleland, Rebekah Aynsley, Mitchell Ashworth and Barclay Wilkinson, already round winners at Quairading, gained third place overall in the finals played in Perth on Friday. Congratulations to this fantastic Beverley team on their efforts.

Easter Hat Parade
The Kindy and Preprimary students participated beautifully in the Easter Hat Parade this year!! There were lots of very creative hats that were a hit on the day. We thank parents for helping their children to create special millinery masterpieces. Congratulations to our staff, students and KPP Committee on running such a successful event!

Winter school uniforms
As the days get cooler, it is timely to remind our families that our school uniform specifies black tracksuit pants for winter gear. Jackets should be Beverley DHS jackets or jumpers available from the uniform shop. Alternatively, a plain red or black jacket or windcheater without any brand markings or logos can be worn, but must not have a hood. We thank you for your help with this matter.

Uniform Orders
A reminder to please place orders for winter uniform requirements before the end of term. There is no need to pay for items at the time of placing the order, but by ordering now you can be sure that stock will be available for your child before the cold sets in. Only one order will be placed for next term, so returning your order form this week is a smart choice! Contact P&C uniform shop co-ordinator Kerry Anne Doyle for more information.

P&C Mothers Day Stall and Raffle
The P&C will be running some fund raisers in the lead up to Mothers' Day and would like your help.

• There will be a Mothers’ day cake and gift stall held in downtown Beverley on Saturday 7th May. The P&C would appreciate cakes and other yummy goodies delivered on the day.

• On the same day, there will be a hamper raffle. Donations for the gift stall and to the hamper raffle would be greatly appreciated either beforehand or on the morning of the stall. Small items such as new tubes of handcream, soaps, candles, handkerchiefs, produce, chocolates or anything of that sort would be greatly appreciated. They can be brought in to school anytime from next week and dropped off at the office.

• The P&C will also be running the very popular raffle for a trailer load of wood, to be drawn on the day of the Mothers' Day stall. The P&C will send raffle tickets home with each family next week, but there is no obligation to purchase or sell any of these tickets. If you would prefer not to receive the tickets, please inform your child’s teacher beforehand, or simply return them to school intact in their plastic bag the following day.

We wish everyone a lovely holiday with plenty of rest and relaxation to be ready and raring to go for a busy Term 2!!

**Why should I consider having my child vaccinated against the flu?**

The National Health and Medical Research Council, Australia's peak body for health advice, recommends annual vaccination for anyone six months of age or older who wants to reduce their chances of becoming ill with the flu.

Annual flu vaccination is strongly recommended for anyone six months of age or older with a medical condition that places them at higher risk of severe illness from flu. Children and adults with heart, lung or kidney disease or a weakened immune system, are eligible for free flu vaccine through the National Immunisation Program.

Children without underlying medical conditions who become infected with flu can also develop serious illnesses. Flu can cause high fever and pneumonia, and make existing medical conditions worse. Flu can also cause convulsions and diarrhoea in children.

Influenza viruses are always changing. Each year scientists try to match the strains of influenza viruses in the vaccine to those most likely to cause flu illnesses that year. It takes up to two weeks for protection to develop after vaccination against flu and protection lasts about a year.

The seasonal flu vaccine is available on prescription or via GP and immunisation clinics and is provided free for certain groups. Flu vaccines are available prior to winter starting. For more information, [www.health.wa.gov.au](http://www.health.wa.gov.au) or contact your GP or Immunisation Clinic.

A WIN FOR BEVERLEY!

Beverley DHS successfully takes out the win at the CGSISA Interschool Swimming Carnival
March 18th 2016 at the Beverley Swimming Pool

Beverley DHS Interschool Swimming Team took on Brookton, Pingelly, York Blue and York Gold in an interschool swimming with our best versus theirs! Our students triumphed and won the carnival overall and many of the age group champion and runner-up medals as well.

We would like to say a big congratulations to our students and to our team of helpers at the carnival. All staff, parents and students helped in making the day a huge success and we are very appreciative of the contributions made by all to ensure a successful event.
