

Safe travels this holiday

Holidays will be here soon, so now is a good time to remind families about Child Car Restraint laws in WA. Young children need the right car seat for their age, correctly fitted to travel safely in a car. Adult seats and seatbelts alone are not safe for small children.

The Child Car Restraint laws tell us the type of car seats to use at different ages.

- **0-6 months** (minimum): children must be restrained in a rearward facing child restraint.
- **6 months – 4 years:** children must be restrained in either a rearward or forward facing child restraint with an inbuilt harness.
- **4-7 years:** children must be restrained in either a forward facing child restraint with inbuilt harness or booster seat restrained by a correctly adjusted and fastened seat belt or child harness.

For more information please visit the Roadwise website:

<http://www.roadwise.asn.au/child-car-restraints.aspx> or call the Child Car Restraint Information Line on 1300 780 713.

You can find registered Type One Child Car Restraint Fitters in the Wheatbelt and throughout the state here: <http://www.roadwise.asn.au/childrestraints/>.
